MANY RUINED LIVES

Hundreds can point to the use of calomel as the cause of physical decay. Its strenuous effects upon liver, kidneys and even the heart are known to every practicing physician.

Medical science has found a vegetable compound that eliminates the poisons from the liver and accumulations from the bowels in a safer and saner way than does calomel and leaves no ill after-effects.

This remedy in the form of GRIGGSBY'S LIV-VER-LAX is a proven success. It is for sale in 50c and \$1 bottles by any Druggist, who guarantees to refund purchase price if you want it. It is always protected by the likeness of L. K. Grigsby.—Advt.

Better look out boys and don't tote any guns.

Kentuckian Escapes Operation
By Using Mayr Stomach Remedy

Mr. Burnett Says Wonderful Treatment Saved his Life With Few Doses.

Horace Burnett, of Somerset, Ky., was a sufferer from stomach disorders for a long time. His condition became highly serious and he feared an operation.

He took Mayr's Wonderful Stomach Remedy and got swift results. In a letter telling his experience, he wrote:—
"Your treatment has certainly helped me wonderfully. I took my fifth dose last night and it brought good results. I have one more dose to take and I think I will be well. Your tonic is wonderful. I can eat anything now that I want to. I can never get through thanking you for your medicine, for I know it saved my life, for I have tried all the doctors and they said I would have to be operated on."

Such letters come from all parts of the country. This remedy is known everywhere for its remarkable results.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucus, acid secretions and poisonous matter. It brings swift relief to sufferers from ailments of the stomach, liver and bowels. Many declare it has saved them from dangerous operations and many are sure it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure it's MAYR'S. Go to Herndon Drug Co.'s store, Barbourville, Ky., and ask about the wonderful results it has been accomplishing in cases they know about—or send to Geo. H. Mayr, Mfg. Chemist, 151-153, Whiting Street, Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored. Any druggist can tell you its wonderful results.—Advt.

Children's Kidneys

No Barbourville Mother Should Neglect the Little One's Health.

Often weak kidneys cause great annoyance and embarrassment to children. Inability to control the kidney secretions, at night or while at play, is attributed to carelessness and too frequently the child is punished. Parents having children troubled with kidney weakness would do well to treat the kidneys with a tested and proven kidney remedy. If there is pain in the back, discolored urine, irregular urination, headaches, dizzy spells or a tired, worn-out feeling, try Doan's Kidney Pills at once. This remedy has been used in kidney troubles for over 50 years and has been recommended by thousands. Convincing proof of merit in the following statement. It's from a resident of this locality:—

Mrs. Nora Burns, Cumberland Ave., Pineville, Ky., says: "My little boy had been afflicted with kidney trouble for a long time and was so bad that I was worried. He had little or no control over his kidney secretions and this difficulty was a source of annoyance. Nothing seemed to be of any permanent benefit until I finally decided to give Doan's Kidney Pills a trial. They cured him and I am glad to say that the cure has been permanent."

Price 10 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns recommends. Foster-McBride Co., Prop., Buffalo, N. Y.—Advertisement.

The Knox County Fair opens next Wednesday, and it promises to be one of the best for many years, if the weather is not wet there will be a tremendous crowd here.

W. H. McDonald will deliver an address to the members of the Junior Mechanics, at Williamsburg, Tuesday morning, his subject, "Is Fraternism Its Origin, Purpose and Benefits."

HOW CHILDREN GROW

Children grow by nourishment—not overloaded stomachs or rich foods but qualities that are readily converted into life-sustaining blood; too often their digestive powers cannot procure these qualities from ordinary foods which results in weakness, dullness and sickness.

If your children are under-size, underweight, catch cold easily, are languid, backward, pale or frail, give them Scott's Emulsion which is pure medicinal nourishment. It sharpens the appetite, builds healthy flesh, firm muscles and active brains. Scott's is growing-food for children. Refuse alcoholic substitutes.
